

Watermark is hiring a Full-time Marine Technician. Great opportunity, experience necessary.

Watermark Tours, Charters, Cruises, is a premiere Maryland attraction; the largest and most authentic provider of history, culture and fun on land and sea in the upper Chesapeake. We host hundreds of thousands of guests annually, and our goal is to find a way to say “yes” to our clients. Our culture is entrepreneurial and deeply rooted in good customer service.. We are headquartered in Annapolis, MD, a beautiful place to live, and our vessels operate in the harbors of Annapolis and Baltimore.

Watermark has been in the tour and charter business in Annapolis since 1972. We have a solid operational base, including 12 inspected vessels and one non-inspected vessel in two cities, and we execute well. We have a reputation with the U S Coast Guard, our regulatory agency, as a leader in safety and security, in the physical condition of our vessels, and training of our employees. Our safety records and customer service reputation are superior.

We are looking for an experienced, knowledgeable, well-qualified marine technician; someone who can motivate, train, provide consistency in maintenance, and support our seasonal operations in Annapolis and Baltimore. We are looking for someone who will ensure we can deliver our promises to our customers with exemplary customer service; someone who can communicate with our operations staff, maintain excellent relationships with the Coast Guard, other government officials, customers, and coworkers; someone who understands accountability, responsibility, and the benefits of consistent policy and procedure enforcement; someone who performs with integrity at all times; and someone who is a fully-functioning member of a maintenance team. Pay includes salary and benefits. Flexibility in schedule required from time to time based on operational needs.

Applicants will ensure they can meet the physical demands and situational awareness while performing the tasks required while handling lines, assisting the engine room, routine housekeeping duties, general maintenance, and these duties will be performed during all types of weather, night and day.

Requirements:

Use hand tools, power tools, painting equipment, and personal protective gear
Marine Diesel engine experience
Motivated self-starter
Exemplary customer service
Monthly weekend call duty
Likes to work with their hands
A personal vehicle to travel to and from work

Preferred:

Superior boat-handling skills
Ability to work independently or in a team environment
Experience with electrical and other vessel systems
