Yacht Charters on the Bay™ by Watermark® Where Business Goes to Play

Wedding on the Bay™ by Watermark® A Refreshing Alternative

(Annapolis, MD) -- Chartering a beautiful yacht for a corporate, social or wedding event is a beautiful thing at Yacht Charters on the Bay by Watermark and Wedding on the Bay by Watermark. With a fleet of 6 yachts from 38' to 99', Watermark provides elegant, luxurious and fun venues for any special event. From cocktail parties for clients to birthday dinners for families, from rehearsal dinners to ceremonial vow exchanges, Watermark and the view of the waters around the Chesapeake Bay make every event spectacular.

"A special event should be exactly that," says Debbie Gosselin, president of Watermark. "In addition to the luxury of a pristine yacht, our Captains and crew members take those extra steps to ensure our guests have the perfect cruise event for their occasion." Watermark receives accolades from guests for the experience, the service and for the unique opportunity of their one-of-a-kind event.

Charters are not always expensive, either. A bachelorette party for 10 on *Miss Anne* is very affordable and comparable to an evening cocktail event. Or a lunch birthday cruise on *Cabaret II* for 100 people could be less than the same event in a waterfront restaurant. Watermark wraps everything up in one package with no hidden costs. Chartering a Watermark yacht allows people to customize their event; from the date and time to the entertainment and food. But the backdrop of the waters around the Chesapeake Bay always offers a dynamic, ever-changing backdrop. Watermark's home ports are Annapolis and Baltimore. *Catherine Marie*, Watermark's flagship vessel calls Annapolis home while *Raven*, Watermark's newest yacht, aptly resides in the Baltimore Inner Harbor.

Watermark ensures a professional event experience. From the original proposal to the launch of the event, Watermark Event Specialists work with their clients in every detail. As the guests step

on board, Captain and crew are attentive, helpful and offer professional and polished service, enabling everyone on the guest list to enjoy the festivities.

Brides and their families have an extra special place on Watermark yachts. Understanding the amount of details a wedding entails, Watermark has a wedding coordinator for each wedding-associated event, allowing the bride, groom and all wedding party participants a knowledgeable and helpful assistant. From simple decorations to extravagant menus, Watermark's coordinators are experienced in the extra-special care of wedding events.

"Chartering a yacht is a personal experience," says Gosselin. "We want our guests to feel like they have their own personal yacht and staff for their special occasion. With meticulously maintained yachts, an expertly trained staff and crew, a unique and spectacular view on every cruise, Watermark wants to ensure our guests a memorable event."
