

Water Taxi Rough Weather Waiver

I acknowledge that the captain of this Water Taxi has told me that it is too rough to safely land my vessel, which is moored or anchored in Annapolis Harbor. Accordingly, I agree to waive any and all claims against the captain or the captain's employer for damage that may occur to my vessel or injury to my person from the landing, debarking, or related events. In the event I do not own the vessel to which I am being taken, I personally take responsibility for any such damage and hereby hold harmless and indemnify the captain and the captain's employer from such claims described above, including attorneys fees, damages and costs.
