The perfect choice for a small group looking for a cruise in a cozy setting. Budget friendly, *Miss Anne* can accommodate up to 22 guests. The center table can hold small platters or baskets of food, and the cooler is arranged with wine, beer, and non-alcoholic beverages. The entire area is covered, and the sides have plastic drops for cooler weather. Favorite cruises include outings to Cantler's for crab picking, Spa Creek cocktail cruises, and evening dessert cruises. Fun for birthday parties, bachelorette and bachelor gatherings, corporate outings and sightseeing cruises. *Miss Anne* is available weekdays and limited times during weekends. No restroom or galley on board.

*"Food, fun, and boating... This was the perfect corporate outing for my small business. Everyone had a great time. Watermark really went above and beyond with regards to planning and implementing the event. We will be back!"*

*"My girlfriends and I had a fabulous time out on the water. We cruised to Cantler's for a crab lunch and enjoyed beer and wine on the boat. Annapolis is such a beautiful place to see by boat and I will definitely be back to visit."*

- Future Bride, during her bachelorette party

Unforgettable journeys.
