An elegant and spacious yacht, *Raven* offers old-world charm and exquisite views. The climate-controlled main deck features large windows and a cherry-tone wood bar. The covered top deck features an additional bar and a retractable roof. The newest vessel in the fleet, *Raven* is wonderful for dining, dancing and memorable events.

"I wanted to let you know that our dinner cruise last night was a huge success and everyone was highly impressed with the boat, food, staff, etc. Thank you and your teams so much for making this a memorable event for not only me, but all my guests (especially the guest of honor)."

- Stefanie Milam, Goddard Space Flight Center

"We had a grand time...The vessel was clean, nicely painted, spacious, comfortable and the cruise was beyond perfect! A huge thanks to all the crew who made our day and my husband's 70th the best that it could have ever been. Watermark is 'top shelf', for sure!"
